

A Message from God in Hebrew

God clearly spoke to me my heart saying: “Retha, I want you to translate the book ‘a Message of God’ into Hebrew. I will prepare the way and open the doors. I will send you a Spirit-filled believer to do the translation and I will help you with every aspect of the printing and distribution. Help My people to see My Son, Yeshua - the Messiah.”

God’s heart beats passionately for this set-apart nation and as I put my head on His chest and listen closely to the rhythm, I can’t help but become passionate for Israel too.

It is God’s desire to empower us so we can be an expression of His heart to everyone around us. Do you have the heart of the King? Do you love what the King loves? Do you feel the same way about Israel as He does? Do you pray for Israel?

It is my desire to serve God’s chosen people, to bless the seed of Abraham, to see everyone recognize Yeshua of Nazareth for who He is – the Son of God. Risen Savior. King of kings. Holy and anointed One. Lord of all and the only way to the Father.

We have already started with the process. A wonderful, Spirit-filled believer has agreed to translate our book into Hebrew and we are looking at possible printers to print the book for Israel. From the quotations we received, the estimated amount to complete this project is around \$ 15 000,00 for 1000 books. It is our vision to distribute the book freely, trusting the Holy Spirit that the seed we sow will fall on fruitful ground.

If you feel the call of God to be part of this project and donate specifically towards getting the book translated into Hebrew for God’s special people; you can place donations into the following account:

Retha McPherson Ministries
ABSA Bank (South-Africa)
